

EU-US and Swiss-US Privacy Shield Framework

GWF Associates, LLC complies with the EU-US Privacy Shield Framework and the Swiss-US Privacy Shield Framework as set forth by the US Department of Commerce regarding the collection, use, and retention of personal information transferred from the European Union and Switzerland to the United States, respectively. GWF Associates, LLC has certified to the Department of Commerce that it adheres to the Privacy Shield Principles. If there is any conflict between the terms in this privacy policy and the Privacy Shield Principles, the Privacy Shield Principles shall govern. To learn more about the Privacy Shield program, and to view our certification, please visit <https://www.privacyshield.gov/>

GWF Associates, LLC collects data from registrants in our interactive programs on behalf of our clients and shares that data with clients so they can provide registrants with requested scientific information. The privacy of personal information provided through our programs is important to GWF Associates, LLC.

In cases of onward transfer to third parties of data of EU and Swiss individuals received pursuant to the EU-US Privacy Shield and the Swiss-US Privacy Shield, GWF Associates, LLC is potentially liable.

The following describes the type of information collected and its use, how information is protected and the choices available to participants.

The type of personal data requested of program participants who elect to register to receive scientific material generally involves identifying information including name, gender, and contact address such as office location or email. So that educational and promotional materials sent to registrants are optimally targeted, data such as specialty or areas of interest may be requested. Additional information may be provided voluntarily through answers to self-assessment or survey questions.

GWF Associates, LLC provides the data collected only to the client supporting the program. At no time does GWF Associates, LLC provide data to another party. If this policy changes in the future, GWF Associates will update this policy and provide opt-out choice to individuals prior to sharing their data with non-agent third parties. Appropriate electronic procedures and corporate confidentiality requirements are implemented to protect the security of data collected. Participants are clearly informed about the intent of data collection. Prior to registration, participants are informed that the personal details they provide may be used by the client for future marketing purposes. They are given the opportunity to opt out of receiving future communication at that time.

GWF Associates, LLC acknowledges the individual's right to access their personal data to review, correct, update or delete it. Individuals wishing to access their data may do so by contacting GWF Associates, LLC.

In compliance with the EU-US and Swiss-US Privacy Shield Principles, GWF Associates, LLC commits to resolve complaints about your privacy and our collection or use of your personal information. European Union or Swiss individuals with inquiries or complaints regarding this privacy policy should first contact GWF Associates, LLC at:

GWF Associates, LLC

GWF Associates, LLC has further committed to refer unresolved privacy complaints under the EU-US and Swiss-US Privacy Shield Principles to an independent dispute resolution mechanism, BBB EU PRIVACY SHIELD, operated by the Council of Better Business Bureaus. If you do not receive timely acknowledgment of your complaint, or if your complaint is not satisfactorily addressed, please visit www.bbb.org/EU-privacy-shield/for-eu-consumers/ for more information and to file a complaint.

With respect to personal data received or transferred pursuant to the Privacy Shield Framework, GWF Associates, LLC is subject to the regulatory enforcement powers of the U.S. Federal Trade Commission. In certain situations, GWF Associates, LLC may be required to disclose personal data in response to lawful requests by public authorities, including to meet national security or law enforcement requirements.

Under certain conditions, more fully described on the [Privacy Shield website](#), you may be entitled to invoke binding arbitration before the Privacy Shield Panel when other dispute resolution procedures have been exhausted.
